Congratulations! You've qualified for workers' compensation coverage through the NFIB/Texas Mutual Workers' Compensation Safety Program.

You are now eligible for an 12.4% discount on your workers' compensation premium. If you currently have a discount of less than 12.4%, your discount will be *increased* to 12.4%. If your individual policy earns a higher discount, you will not lose it.

You also have the potential to earn group safety program dividends* in addition to any individual dividends declared by Texas Mutual Insurance Company. To date, Texas Mutual has awarded more than \$19 million back to NFIB members because of their commitment to providing safe workplaces.

Texas Mutual requires that safety group participants hold an active NFIB membership. **If you are not currently a member**, please:

1. Go to www.joinnfib.com to join.
2. Enter **TXSAFETY** in the "Promo Code" box to receive the discounted dues rate.
3. Submit your information to join immediately. You will receive your NFIB membership number after your payment has processed.

You can also join by mailing the attached form with your credit card information or a check for the cost of your membership. Please fax a copy for me, and I will follow-up with Membership processing on your behalf.

If you need more information, please feel free to call me at 512-476-9847.

Sincerely,

Deborah L Isch
